

## **CIG15104 IMMUNet**

### **KICK-OFF MEETING**

Thursday, 18 June 2020

On Thursday 18 June 2020 at 11.30 am, the second part of the CIG15104 “IMMUNet” Kick-off Meeting took place via Microsoft TEAMS.

The meeting was attended by the following people:

**COST Project Officer:** Ralph Stubnher

#### **CIG Chair**

- Chiara Buratti

#### **CIG Team Members**

- Roberto Verdone
- Laurent Clavier
- Konstantin Mikhaylov
- Carles Anton-Haro
- Guillaume Villemaud

#### **Other participants**

- Giampaolo Cuzzo
- David Gregoratti
- Régis Rousseau
- Alice Baldini
- Silvia Calderoni
- Nicolò Cavallari

Firstly, the Chair presented the Agenda, which was accepted without modifications.

She then moved on to give an overview of the project, including the Team Members and Participants, the Work Plan, the Budget and the Meetings.

Giampaolo Cuzzo followed with a presentation on the IMMUNet system description.

Konstantin Mikhaylov presented the HW platform and the partners' needs.

David Gregoratti presented CTTC contribution to the project.

Afterwards, the Chair summed up the content of David Gregoratti's presentation, and discussions on the contribution started.

Next, Laurent Clavier presented the University of Lille contribution to the IMMUNet system.

The Chair commented on Clavier's contribution, as well as other participants.

Ralph Stubnher entered into the meeting (12.30) and the Chair asked him some questions regarding the meeting in September and report to be delivered at the end of the meeting. Ralph Stubnher stated that the following reports should be delivered: Business plan, financial report and scientific report.

Ralph Stubnher also reported about the final meeting of CIG projects, to be attended by CIOG Chairs in summer 2021. Travels will be reimbursed by directly COST.

He also explained that COST is organizing some training session this summer regarding how to write a business plan.

Alice asked about any suggestions for the attendance list.

Ralph Stubnher left the meeting at 12.53.

Next, Guillaume Villemaud presented INSA contribution to the project.

The Chair answered the questions and commented on the presentation.

The Chair presented both the plan for board development and for the SW development, which were accepted without modifications.

The Chair decided to postpone the business plan discussion after the training session.

Finally, the Chair proposed to talk about the identification of the external experts, and Carles Anton proposed a list of people, explaining their profile.

End of July a meeting between the Chair, Roberto Verdone (WP2 leader), Carles Anton (Task 2.1 leader) and Laurent Clavier (task 2.2 leader) will take place, to identify the external experts to be invited to the meeting in September and to organize the meeting itself.

Copy of the above presentations was uploaded on the "Files" section of the TEAMS group and they will soon be available also on the IMMUNet website ([www.iracon.org](http://www.iracon.org)).

The kick-off meeting ended at 2.11 am.
